Objective

My objective is to obtain a Bachelor of Science in Nursing so that I can become a Registered Nurse.

Education

- General Education:** Santa Fe College. Gainesville, FL 2016-2017
- 35 credit hours of Dual Enrollment
- Bachelor of Science in Nursing:** University of Florida. Gainesville, FL 2017-current
- Major: Nursing
 - Expected graduation: Spring 2020

Work Experience

- Restaurant Employee:** 2016-2017
- During high school, I wanted to use some of my time to gain experience in the workplace, so I got a job at a Chick-fil-a. I was able to assist managers in stocking items, organizing items in the front of the store, and serving customers to ensure optimal satisfaction. I learned a lot about communication and responsibility from interacting with customers.
- Youth Intern:** 2018-current
- I work 20 hours a week leading small group high school Bible studies, leading large group studies, communicating with students & parents, and coordinating & organizing events.

Medical and Clinical Experience

- VolunTEEN at Shands:** 2015-2016
- During these two summers, I was able to assist on nursing floors, pediatric specialties, and the pediatric floor. I organized multiple medical forms, including filing and organizing documents both electronically and manually. I was able to assist in ensuring the comfort of the patients, working alongside hospital staff and interacting with patients and families
- UF Health Shands Hospital: Bone Marrow Transplant Unit** 2018
- I started my Nursing clinical on the Bone Marrow Transplant Unit. I assisted Registered Nurses, but was also able to perform tasks independently. These tasks included taking vital signs, conducting physical assessments, and documenting findings.

Certifications

- Basic Life Support: CPR 2018
- Emergency Preparedness Training 2018

Community Service

Missions Trip to Work with Friends of Refugees:

2016-2018

- For three summers, I was able to work with underprivileged refugee families and children in Clarkston, Georgia. I helped plan and organize fundraiser events and leadership trainings for this mission's trip, and I organized materials and day schedules for the trip.

SIRA Pregnancy Center:

2017-2018

- After many training sessions, I was able to serve as a client advocate by counseling, assisting, or interacting with women who came in for the community services, which include pregnancy test, ultrasound, or counseling.
